-We can assist you from your concept to its completion by providing project managers and highly skilled personnel to ensure your goals are achieved. We work with clients throughout the Northeast and deliver on time and on budget. Our event coordinators are on site to ensure a flawless execution of your event, no matter how small or large. When your event is over, you can get back to business while we take care of the equipment breakdown and return.

Rental LED Light American DJ LED 38B Pro

The Sleek and slim 38 LED Pro gives you Professional LED lighting where traditional Par cans that are more heat producing might cause problems for the performers.

Also great for virtually any DJ or venue simply for it's durability and long life.

From ADJ, the 38 LED Pro is designed for use in Night clubs or on stage. Get the 38 LED Pro with LEDs that have a 100,000 hour rating to make sure that your lights never go out.

Other features of the 38 LED Pro from ADJ include: LED Sync™ Feature - Auto sync with other LED products with LED Sync™, 7 operational modes, 2 DMX modes, 3, 6 or 7 DMX channel mode, Very smooth field with rich palettes of color created by mixing the Red, Green and Blue LEDs, Smooth RGB color mixing (fast or slow color change operation) and don't forget the Color strobe effect.

With a minimal power consumption of only 9W, the 38 LED Pro from ADJ is great piece of equipment for any DJ or Venue.
